

## **8<sup>th</sup> Annual Report. BNG Vidyalayam 22<sup>nd</sup> March 2014**

First of all let me offer my pranams to our most respected Brahmasree Nithyanandha Swamiji for his mighty blessings and leadership.

Brahmasree Nityananda Gurukula Vidyalayam owned and managed by Brahmasree Nityananda Swami Religious and Charitable Trust is dedicated to the holy feel of Jagath guru Brahmasree Nityanada Swamiji.

Our school BNG Vidyalayam stands for re-integration of Indian culture and unity. It stands for promoting Indian culture through various integrated programmes and activities.

For the successful and systematic functioning of the academic activities we conduct workshops seminars and in-service courses from time to time. The progress of students performance is assessed by formative and summative assessment. Our academic programmes are supplemented by value based education. Several efforts are made to uplift the weaker sections of students in studies to respectable lead through personalised guidance remedial classes and counseling. Steps are also taken in the meantime to enhance the efficiency level of the brighter students also.

It was in the midst of great hopes and enthusiasm we got the message from the Central Board of Secondary Edu-Delhi that our school was affiliated with CBSE from the beginning of this academic year. It was a memorable day for our as our efforts and hopes comes into reality.

BNG Vidyalayam pre-KG to Std X is a small family with 300 pupils, 24 members in teaching faculty and 13 in non teaching section. The challenging growth of this institution is mainly due to the excellent and dedicated work of the staff both teaching and non teaching.

### **Co-curricular Activities**

We are proud to say that our students are given sufficient encouragement and ample opportunities to display their talents in various co-curricular activities. These activities help the curriculum improvement and are significant factors to promote school community relations. The co-curricular activities are co-ordinated and executed by different houses, each headed by a house captain and house mistress. Each house in turn is discharged with weekly duties of conducting school assemblies, general discipline school cleanliness, presenting news bulletin and wall magazines and organizing of literary and cultural programmes.

The creativity and talents of the children are improved through various clubs- Science Club, Mathematics Club, Social Science Club, Arts & Library Club, Eco Club, Quiz Club and Computer Club. The Science and Art fair of our school for this academic year which was celebrated on October

23&24 was a unique activity guided by the Science and Arts club of our School. The Scientific talents, team work and creativity of the students were appreciated by one and all.

The School organized various tour programmes for KG, LP, UP and HS sections separately during the month of November. All the trips helped the children to acquaint with their environment and acquire new experiences and information.

Our children participated in the cultural competitions conducted by South zone Sahodaya. Kumari Aleena Angel of 4<sup>th</sup> won A grade in Recitation, while the other children won cash awards and medals in the scholarship Examinations of PCM and Unix Academy's.

It would not be an exaggeration of my part to recall that the success of all the activities of Brahmasree Nityananda Gurukula Vidyalayam is mainly due to the commitment, hard work and co-operation of staff members and manager Sri V Prakash use this opportunity to place on record my sincere appreciations of all their services and thank for the same. I once again thank the parents and well wishers of our school, who entrusted their children in full confidence to our care.

I thank the almighty for the abundant blessings he has showered on all our endeavors' of this school and for guiding us in the right path for the service of humanity.

Thank You

Jai Hind...!!!
